

At Viamonte at Walnut Creek, we're doing everything we can to protect the health and well-being of our employees, colleagues and future residents amidst the current COVID-19 situation. In doing so, we are actively responding to the recent order to shelter-in-place and have temporarily closed our Preview Center.

We want to assure you that we are committed to providing the best service and remain hopeful at this time. We continue to be available by phone or email while working remotely, for the time being – and we're still looking forward to making Viamonte the destination that best fits your future.

Above all, we wish you safety and wellness during this time. Please know that we're readily available should you have any questions or concerns. Feel free to contact us using the information below.
